

## Lottery Documentation

### NFT Lottery Rules and Conditions

The lottery will only take place if the midcap of our crowdfunding campaign is reached.

#### 1. Participants

- The lottery is open to all participants in the Etherland crowdfunding campaign.
- Participants must have an account on the crowdfunding platform.

#### 2. Lottery Tickets

- Lottery tickets are allocated to participants based on the chosen investment pack:
  - Pack Bronze: 1 ticket
  - Pack Silver: 2 tickets
  - Pack Gold: 4 tickets
  - Pack Platinum: 6 tickets
  - Pack Diamond: 8 tickets
  - Pack Master: 10 tickets
- Lottery tickets are non-transferable and non-refundable.

#### 3. Rewards

The lottery prizes are as follows:

- 17 unminted LANDIDs NFT
- 5 unreleased LANDID NFTs
- 40 LANDAO NFT minting rights (If the mid cap of our marketing campaign is reached)
- 1 unreleased Lost World NFT
- 1 custom LANDID NFT minting right

#### 4. Raffle Draw

- The draw will take place live on a streaming platform after the crowdfunding campaign.
- Each participant can only win one prize. Having multiple tickets only increases your chances of winning.
- Winners will be randomly drawn from all participants who have received lottery tickets.
- The drawing will proceed as follows: a name and a prize will be drawn to determine who wins what. Once a person has won, their name and prize are removed from the drawing. We will repeat this process until there are no more participants or prizes.
- The draw will be recorded and broadcast on the project's social networks.

#### 5. Prize Allocation

- Winners must provide a valid Ethereum wallet address on polygon proof of stake to receive rewards.
- Winners will automatically receive rewards on their Ethereum wallets without needing to claim them.

#### 7. Acceptance of Rules and Conditions

- Participation in the lottery implies acceptance of these rules and conditions.
