

GLA Token Price Update

February 28th, 2022

Dear Investors,

We sincerely appreciate your continued support towards Galactic DAO. After announcing the extension of our token sale, we have more exciting news for you!

As a 100% community-owned DAO, we have agreed that our actions must align with our core values: *provide everyone with equal opportunities for wealth creation*. We understand that the majority of our community investors are not members at Tecra Space, our crowdfunding platform. As a result, Galactic DAO has decided to **reduce the GLA Token price regardless if you are a [Tecra Space](#) account holder or not**. Needless to say, investors that purchased our tokens at the initial prices will be **fairly compensated** as follows:

Compensation For		Purchased at Initial price of
Basic Account	+1 GLA	9 USDT
Basic Account via \$TECRA		7 USDT
Premium Account		6 USDT
Premium Account via \$TECRA	+2 GLA	5 USDT + acquired the Premium Account to buy GLA tokens from Feb. 21st to Feb. 28th
	+1 GLA	5 USDT + had the Premium Account and participated in a fund prior to the GLA Token Sale

New prices to purchase the GLA Token in Tecra Space starting February 28th are:

Account Type	New Price
Basic Account	5 USDT
Basic Account via \$TECRA	4.75 USDT

Premium Account	4.5 USDT
Premium Account via \$TECRA	4.25 USDT

We understand and value the tremendous faith you have placed in us, and we look forward to keeping you updated as we build this project together. The best is yet to come!
